## PROFILE

Since 1986, Dr. Thomas Carroll has produced hundreds of expert reports involving personal injury, wrongful death, business damage, inverse condemnation, construction defect, discrimination and wrongful termination cases. Dr. Carroll is a retired professor of economics at the University of Nevada Las Vegas (UNLV), where he taught courses in the economics of discrimination, statistical analysis, and economic forecasting. He uses his forty years of classroom experience to deliver thorough and easily accessible analysis.

---

## EXPERIENCE

### Teaching Experience

University of Nevada, Las Vegas
